Dear Sir,

With reference to the subject matter and letters cited, we reviewed the submitted documents for source approval for supply of Reinforcement Steel from M/s Madhav KRG Ltd. (Jyoti Steel) and found in order.

The plant was visited on 23.05.2023 to ascertain the manufacturing process, availability & quality of raw material and in-house testing facilities.

The sponge iron is purchased from Tata Steel, invoices & test results were also provided. In-house physical & chemical testing facility is available at the plant. Testing was conducted in our presence and found in order.

In view of satisfactory plant visit & approved in various NHA projects, the source is hereby accorded approval with the following conditions:-

1. Only fresh lot should be delivered at site.
2. Manufacturer's Test Certificates should be submitted along with each consignment.
3. It shall conform the requirements of MoRT&H Clause 1009, IS:1786 & IRC-SP:87-2019.
4. Samples will be collected jointly from each lot and be sent to an NABL accredited independent laboratory for testing.
